

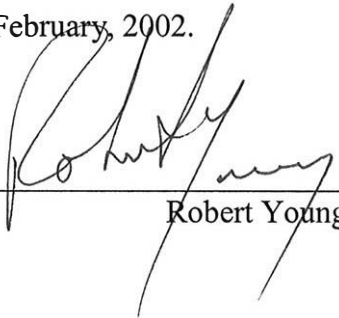

EXHIBIT 2

RESOLUTION NO. 959

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
BONNEY LAKE, PIERCE COUNTY, WASHINGTON,
AUTHORIZING THE CHIEF OF POLICE TO SIGN AN
INTERLOCAL AGREEMENT TO PARTICIPATE IN THE DEA
TACOMA REGIONAL NARCOTICS TASK FORCE**

The City Council of the City of Bonney Lake, Washington, does hereby resolve that the Mayor is authorized to execute the agreement attached hereto as Exhibit "A" and incorporated herein by this reference.

PASSED by the City Council this 11th day of February, 2002.

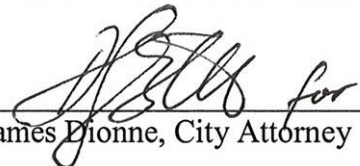

Robert Young, Mayor

ATTEST:

Gayle Butcher, City Clerk

APPROVED AS TO FORM:

James Dionne, City Attorney

TAHOMA NARCOTICS ENFORCEMENT TEAM

THIS AGREEMENT was entered into by and between the following agencies at the date specified and as of this date exists as follows:

Pierce County Sheriff's Department (1986)
Puyallup Police Department (1986)
Sumner Police Department (1991)
Washington State Patrol (1986)
Pierce County Prosecutor's Office (1986)
D.E.A. (1998)
Tacoma Police Department (1998)
Bonney Lake Police Department (1997)

I. PROBLEM STATEMENT

Pierce County and its municipalities have experienced increased crime problems due to drug abuse, which has risen rapidly in the past 30 years. This increase stems not only from an increase in population in all areas in the county and in changing drug abuse trends, but also from the lack of ability to maximize drug enforcement efforts. The large rural areas of the county make the county ideal for marijuana cultivation and clandestine drug lab operations. The close proximity of large urban population centers provides a ready market for illegal drugs. Drug abusers commit a significant number of major crimes, such as residential and commercial burglary, robbery and assault.

II. NEED STATEMENT

The primary goals will be the pro-active investigation, arrest and prosecution of level one drug traffickers of methamphetamine and Mexican black tar heroin at the federal level; target other organizations and groups distributing and manufacturing powder cocaine, crack cocaine, psychotropic drugs and marijuana; deny and deprive drug trafficking organizations.

The Pierce County criminal justice system must check and/or reduce the drug abuse and related problems within Pierce County by a coordinated and concentrated effort.

III. RECOMMENDATION

To address the drug problem a Task Force was formed in 1986 and joined with the DEA in 1998. The Task Force consists of the DEA, Bonney Lake, Sumner, Puyallup, Washington State Patrol, Tacoma Police Department and the Pierce County Sheriff's Department and works in conjunction with the Pierce County Prosecutor's Office.

IV. PROJECT DESCRIPTION

The Task Force will be comprised of personnel assigned from the major law enforcement agencies within the County, Pierce County Prosecutor's Office and the Washington State Patrol. It is agreed that at least one full-time investigative person funded by the Byrne Grant shall be assigned from each of the following agencies **for periods of three years**, with the option to extend an additional year to ensure unit effectiveness.

Bonney Lake Police Department
Puyallup Police Department
Pierce County Sheriff's Department
Sumner Police Department
Drug Enforcement Administration (D.E.A.)

Washington State Patrol and Tacoma Police Department shall each contribute one full time employee, including all operational expenses associated with the employee. The Byrne Grant does not fund these full time employees.

V. BOARD OF DIRECTORS AND STRUCTURE OF ORGANIZATION

Overall governance of the unit's operations, including the setting of investigative priorities and general operating procedures, shall be vested in an Executive Board consisting of department heads or their designee from each participating agency and in the Resident Agent in Charge (RAC) assigned to the office by the DEA.

A Project Coordinator shall be used to describe the position exercising staff responsibilities over all matters relating to, or concerned with, the fulfillment of the function of the Task Force.

The Project Coordinator shall be responsible for keeping the Executive Board informed on all matters relating to the function, accomplishments, and problems of the Task Force.

The RAC is responsible for keeping the Project Coordinator advised of all activity and shall give a monthly report to the Executive Board at their monthly meetings. Copies of the monthly report shall also be sent to each participating agency.

All persons assigned to the unit shall work under the immediate supervision and direction of the Project Coordinator and the RAC. All persons assigned to the unit shall adhere to the rules and regulations as set forth in the D.E.A.'s Agent Manual, as well as their individual departmental rules, policies, and procedures.

For the purpose of indemnification of the unit personnel and their participating jurisdictions against any losses, damages, or liabilities arising out of the services and activities of the unit, those personnel contributed by any participating jurisdiction shall be deemed to be continuing under the employment of that jurisdiction and its police department.

Each agency contributing an employee to the unit will retain that employee as an employee of the contributing agency and will be solely responsible for that employee: such responsibility shall include the employee's salary and benefits, as well as all terms and conditions of employment.

Any duly sworn peace officer, while assigned to duty with the unit as herein provided and working at the direction of the Executive Board, its Chairperson and the Unit Commander, shall have the same powers, duties, privileges, and immunities as are conferred upon him as a peace officer in his own jurisdiction. They shall also have the authority on behalf of the D.E.A to enforce Federal drug-trafficking laws..

Participating agencies may withdraw from the Unit by written statement of termination directed to the Chairperson of the Executive Board. Termination of an agency's participation and its responsibilities under this Agreement shall take place automatically thirty (30) days after receipt of such written notice, or immediately upon written notification that said agency is unable to sustain the required funding.

VI. BUDGET

The Executive Board shall adopt a budget. The D.E.A. shall be responsible for office space and all operating costs. **The High Intensity Drug Trafficking Area grant will provide the task force with cell phones, cars and PE/PI money or other expenditures as allocated by the H.I.D.T.A. grant.**

Assets seized by the Task Force will be retained by the Task Force in accordance with RCW 69.50.505, Seizures and Forfeitures. **Equipment purchased, with the exception of H.I.D.T.A. purchased equipment, will belong to the Task Force. H.I.D.T.A. equipment will be disposed of in accordance with H.I.D.T.A. equipment guidelines.** In the event the unit is disbanded, such Task Force equipment derived from seizures will be distributed as equally as possible to contributing agencies. However, if only one agency terminates, equipment derived from seizures will remain with the unit.

The Byrne Grant fiscal cycle is July 1 to June 30 annually. The application for the grant is submitted to Washington State Department of Community, Trade & Economic Development by the Project Coordinator with the assistance of the Resident Agent in Charge. Funds are distributed under the direction of the Executive Board. The Pierce County Sheriff's Department is the assigned Contractor for the grant. As the Contractor the Department assumes responsibility for the distribution of the grant funds. Participating agencies shall bill the Contractor monthly. The Contractor, upon receipt of said bill, shall bill the State for reimbursement from the grant. Upon receipt of funds, Contractor shall reimburse the participating agencies. **If Byrne funding is discontinued, all participating agencies have the option to discuss the continuation of assignment of staff to the Task Force.**

Upon approval by the Executive Board, seized funds shall be distributed to participating agencies.

The Task Force shall fund one full time clerical position from seized and recovered funds.

VII. CONTEMPLATED UNIT COSTS

The Unit's primary focus shall be on investigations centering on narcotics trafficking, attempting to impact the highest level dealer and wholesaler as possible. In circumstances wherein a determination of specific priorities of these investigations must be made, the Executive Board will direct the Project Coordinator and the RAC as to the unit's direction. The unit will be responsible for accomplishing the Board's objectives.

VIII. UNIT OBJECTIVES

The Task Force shall perform the activities and duties described below:

- a. Disrupt the illicit drug traffic in the Pierce County area by dismantling target violators and trafficking organizations; and
- b. Gather and report intelligence data relating to the trafficking in narcotics dangerous drugs; and
- c. Conduct undercover operations where appropriate and engage in such other traditional methods of investigation in order that the Task Force's activities result in effective prosecution before the courts of the United States and the State of Washington.

IX. PERIOD OF PERFORMANCE

This agreement shall be in effect for one year from it's making. The agreement shall be extended each anniversary date unless either party has provided notice of intent to abandon the agreement. If either parties desire the terminate the relationship created by this agreement, they must provide not less than ninety (90) days written notice to affected parties.

X. CONCLUSION

Law enforcement agencies are faced with the responsibility of narcotics investigations with decreasing resources. Countywide, multi-agency task forces have proven their ability to make significant impacts on crime. Such units are an extremely efficient use of law enforcement expenditures. The cost effectiveness of this unit for city and county resources is enhanced by the participation of the Drug Enforcement Administration; Pierce County Prosecutor's Office and the State Patrol. This integrated law enforcement

approach to narcotics investigations has been proven throughout the country as a positive approach to combating the increasing lawlessness that surrounds narcotics within our society.

On behalf of my agency, I hereby confirm our commitment to participate in the Tacoma Narcotics Enforcement Team in accordance with the objectives and policies set forth in this agreement.

<u>Explanation:</u> Agreement to participate in the DEA Tacoma Regional Narcotics Task Force			

Agenda Subject:
A resolution of the city council of the city of Bonney, Pierce County, Washington, authorizing the Chief of Police to sign an interlocal agreement to participate in the DEA Tacoma Regional Narcotics Task Force.

Administrative Recommendation:
Authorize the Chief to sign the agreement

Background Summary:
Several agencies in Pierce County cooperate in a local narcotics task force headed by the Drug Enforcement Administration. BLPD's position is covered mostly by a federal grant and the DEA reimburses overtime up to \$9500 per fiscal year. Bonney Lake has participated in this task force since 1997. As a member of this task force, BLPD has the resources of the task force to assist with local drug enforcement. BLPD's member of the task force does not work out of our office and is under the direct supervision of the DEA while assigned to the task force.
