Dear Mr. Worthington,

The entities you mention below are not part of the WSP. This employee is contracted to these entities, who maintain their own offices, their own organizational structure, their own services, and their own records. We do not have possession of these records in any way. If these were WSP records, or if they were in our possession, we would provide them to you or cite to a specific exemption under the Public Records Act RCW 42.56 as our justification for withholding them. However, in this case, we are not withholding anything as we do not have anything. I apologize if my original response did not properly explain the situation. Please feel free to contact me if you have any additional questions.

Sincerely,

Gretchen Dolan
